WHAT IS INTOUCH AUTO PROTECTION?

InTouch Auto Protection is a comprehensive GPS system that allows you to track your vehicle, and in the event that your vehicle is stolen, quickly provide location information to law enforcement.

The InTouch Auto Protection System that runs on Verizon, is the nation's largest high speed data network & works in all 50 states. It gives you the benefit of locating your vehicle if it is stolen, but you will also have access to powerful tools to perform live locates, monitor driver behavior and set security boundaries.

WHY DO YOU NEED INTOUCH AUTO PROTECTION?

IN THE UNITED STATES
A MOTOR VEHICLE IS
STOLEN 45 EVERY
SECONDS

NATIONALLY,
NEARLY **45%**
OF VEHICLES REPORTED STOLEN
ARE **NEVER** RECOVERED

INSURANCE DISCOUNT

InTouch may qualify you for an Insurance Premium Discount. According to the National Association of Insurance Commissioners, nine states require insurers to provide discounts on premiums for anti-theft devices. In four other states insurers may offer these discounts or are encouraged to offer them. The amount of the discount varies but can be significant.
